printed on recycled paper using soy ink

# Village of Winnetka

Over the past 8 years, Winnetkans have increased the amount of material that we collect through our curbside recycling program by over 11%. Over the same period, the amount of residential garbage collected has been reduced by over 300 tons per year. Thank you for your efforts in reducing the amount of material that gets landfilled. This list contains ideas that will help you to recycle even more items.

## Appliances -
