

Donor/Memorial Bricks Available for Pickup until December 31, 2021

Following the completion of the Downtown Streetscape project in the East Elm business district this summer, donor/memorial paver bricks from 1994 that were removed from the northwest and northeast corners of the intersection of Lincoln and Elm streets can be picked up at the Public Works Yards at 1390 Willow Road from 7:30 AM – 3:30 PM on weekdays until December 31, 2021. All attempts were made to preserve bricks during their removal, though some were not salvageable. For more information or to schedule a pickup, please call 847-716-3550.
